

VILLA PARK VFW POST 2801

On Saturday, April 28th a group of Glenbard East teenagers were enjoying their Saturday night hanging out around a bonfire at a friend's house. Suddenly the bon fire erupted into a ball of flames and these kids lives were changed forever. While numerous kids were injured, there are four whose injuries are severe, life threatening and life altering. In fact, two victims are still in ICU at Loyola Medical Center.

On Sunday, July 28th we will be hosting a fundraiser for these victims..... these survivors...to help with their medical bills. They have multiple surgeries and years' worth of recovery ahead of them. They are all fighters and are facing everything that that comes their way very bravely. We want to show them that the community supports them and do our part to help them focus on the recovery process by easing the burden of their ever-mounting medical bills.

How can you help? We are looking for people and businesses to partner with us to make this fundraiser a success. After all event costs are paid, all additional funds will be divided evenly among the four survivors.

If you are interested in donating an item to raffle, an in-kind service (such as printing services, food, drink, entertainment) or a financial donation, please fill out the form below and either return the form via mail or contact the VFW Special Events Team at VFWpost2801events@gmail.com or 630-474-4037 to arrange for pick up or drop off.

Questions? Want to volunteer? Please feel free to contact us at the email address or phone number above or on the donation form.

Thank you in advance for your support of these brave survivors.
